## SESSION DESCRIPTIONS

### Medicaid Eligibility and the Spend Down Process:

This session will provide an overview of the Medicaid Spend Down Process so that medical daycare providers will be able to follow the proper procedures for payment and assist the families in obtaining and maintain funding.

**Child and Adult Food Program:** This session will provide a basic overview of the food program requirements and assist the centers in understanding compliance needs, ensuring that the meal components are met.

**UMBC Research Results:** Many medical daycare centers participated in a year-long study facilitated by the National Institute on Aging to understand how adult day services supported the well-being of the participants. During this session, the researchers will share their findings.

**Activities Planning and Engagement:** Have you run out of creative ways in which to plan and engage the participants in activities? This session will provide the attendees with ideas around how to plan and implement activities for a variety of interests and abilities.

**Transportation and Accidents:** Understanding the procedures for reporting accidents can be confusing. What happens at the scene of the accident? How and when do you report accidents? What does my insurance company need? This session will provide the attendees with information on how to successfully report accidents when they occur.

## FEES

### REGISTER ONLINE: [www.MAADS.org](http://www.MAADS.org)

#### Early Registration: Postmarked by April 30, 2019

<b>MAADS Member:</b>
